StratHR Solutions Inc. would like to thank you for your purchase

The attached **"Document Name"** has been developed by StratHR Solutions Inc. and is provided as a customizable template designed to support your organization's branding and business needs. As you tailor this document, you are encouraged to reflect your organization's mission, vision, and values where appropriate to maintain alignment with your workplace culture.

This "Document Name" is a sample and requires customization. Content that does not apply to your organization may be removed. An example of a customized and branded version is included in this package to serve as a reference as you adapt the document. Your file is provided in Word format, allowing you to make updates efficiently and accurately.

This document has been prepared based on applicable employment standards legislation. Any underlined sections are intended to be customized to reflect your organization's practices. When making changes, ensure that all modifications meet or exceed the minimum requirements set out in employment standards legislation. StratHR Solutions Inc. is not responsible for the accuracy or compliance of changes you made after customization.

Your purchase includes XX minutes of consulting support. Within 24 hours of purchase, an HR Consultant from StratHR Solutions Inc. will contact you to assist with customization, answer implementation questions, and, if requested, review your finalized document for legislative compliance.

If you require immediate assistance, please contact us Toll Free at **1 (866)-340-3790 or info@strathrsolutions.ca.**

By accepting this "Document Name," you agree not to distribute, reproduce, or share the document beyond its original intended use or to share it with other organizations.

Thank you once again for choosing StratHR Solutions Inc. We look forward to supporting your HR needs and will be in touch shortly.

Sincerely,
StratHR Solutions Inc.
